ABOUT US

Occupational safety and health protection is an important but also very broad topic.

Every industry and every company has different requirements and needs. A single person can hardly do justice to this breadth.

It is nevertheless desirable for employers to have a single point of contact.

This fact stands as the basis of ASGS.Group. Occupational safety and health protection from a single source.

Do you need help in the area of hazardous substances or explosion protection, but also need solutions to protect your employees from falling? ASGS.Group is your partner.

Your company needs a new production machine which is subject to planning approval and the authorities have announced a visit? Even now you can count on the experts from ASGS.Group.

ASGS.Group is a group of ASGS and ASA specialists who come from different industries and have great experience and skills in a wide variety of areas.

ASGS.Group is the "One Stop Shop" in the field of occupational safety and health protection.

WHAT DOES ASGS GROUP OFFER YOU?

GIVE A MAN A FISH AND YOU FEED HIM FOR A DAY. TEACH A MAN TO FISH AND YOU FEED HIM FOR LIFE.

Confucius' statement comes from a distant time. However, the strategic truth behind it is timeless and extremely topical.

ASGS.Group sees its task in supporting people and companies in making the right decisions in the jungle of legal obligations, business success, expectations of employees, colleagues, customers and suppliers, social requirements, internal processes, resource planning, time pressure and much more.

The ASGS.Group team of specialists supports, advises and accompanies your company. Coming from different disciplines, the team with a total of well over 100 years of practical experience in the field of occupational safety and health protection offers the necessary tools to advise you in a goal-oriented manner and to teach you the effective use of tailor-made tools in order to use them successfully on your own.

FISH FOR YOU? OTHERS DO THAT.
